

Reading List for Family and Consumer Science, Grades K-5

Title/Author	Description
<i>Rosie, A Visiting Dog's Story</i> , by Stephanie Calmenson	This black and white Tibetan terrier spends her days visiting patients of all ages in hospitals and nursing homes. The pictures show her training and preparations before visiting and the cheer she brings to the patients she visits.
<i>Child Care Worker</i> , by Kathryn Quinlan	This book explores job responsibilities, required education, and career development opportunities for becoming a child care worker.
